# Tikendra Sahu

Intern@ONGC Mehsana || Overall co-ordinator @SEG RGIPT SC || McM Scholarship || Pre-final year Petroleum UG Student @RGIPT Raipur, Chhattisgarh, India

## Experience

### SEG RGIPT Student Chapter

1 year 7 months

#### Overall Co-ordinator

June 2025 - Present (6 months)

India

#### Designing Executive

May 2024 - June 2025 (1 year 2 months)

### Oil and Natural Gas Corporation Limited (ONGC)

#### Summer Intern

June 2025 - June 2025 (1 month)

Mahesana, Gujarat, India

Had the opportunity to experience real-time field operations at India's largest onshore heavy oil-producing asset, where I learned how petroleum engineering works beyond the classroom.

Done project titled "Well Completion", and proud to share that our team secured 2nd position in the ONGC Mehsana internal project presentation—an incredible learning and team experience & 6th position in innovative idea.

### Techfest, IIT Bombay

#### Participant, Cloud Computing Workshop

December 2024 - December 2024 (1 month)

Mumbai, Maharashtra, India

:Attended a two-day workshop focused on planning, designing, and scaling cloud implementations.

:Gained hands-on experience with cloud infrastructure setup and management.

:Learned best practices for cloud security and scalability under the guidance of an industry expert from Craw Security.

### ICTU 2024 -International Conference on Transforming Upstream Delegate

September 2024 - September 2024 (1 month)

---

## Education

Rajiv Gandhi Institute of Petroleum Technology (RGIFT)  
Bachelor of Technology - BTech, Petroleum Engineering
